Dear Mr. Winegardner:

We are pleased to notify you that your comprehensive annual financial report (CAFR) for the fiscal year ended June 30, 2004, qualifies for a Certificate of Achievement for Excellence in Financial Reporting. The Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

Each entity submitting a report to the Certificate of Achievement review process is provided with a "Summary of Grading" form and a confidential list of comments and suggestions for possible improvements in its financial reporting techniques. Your list has been enclosed. You are strongly encouraged to implement the recommended improvements into the next report and submit it to the program. If it is unclear what must be done to implement a comment or if there appears to be a discrepancy between the comment and the information in the CAFR, please contact the Technical Services Center (312) 977-9700 and ask to speak with a Certificate of Achievement Program in-house reviewer.

Certificate of Achievement program policy requires that written responses to the comments and suggestions for improvement accompany the next fiscal year's submission. Your written responses should provide detail about how you choose to address each item that is contained within this report. These responses will be provided to those Special Review Committee members participating in the review.

When a Certificate of Achievement is awarded to a government, an Award of Financial Reporting Achievement (AFRA) is also presented to the individual(s) or department designated by the government as primarily responsible for its having earned the Certificate. As the designated individual we have enclosed your AFRA.

Your Certificate of Achievement plaque will be shipped to you under separate cover in about eight weeks. We hope that you will arrange for a formal presentation of the Certificate and Award of Financial Reporting Achievement, and that appropriate publicity will be given to this notable achievement. A sample news release has been enclosed. We suggest that you provide copies of it to local newspapers, radio stations and television stations. In addition, enclosed is the Certificate Program "Results" for reports with fiscal years ended during 2003 representing the most recent statistics available.
