U.K. INTERNATIONAL  
SOCCER CAMPS, INC.

## SIGN UP BY July 8!

The UK International Soccer Camp is once again coming back to Ridgecrest this summer. UK International was established in 1990. Since that time, they have developed an excellent reputation and have become one of the largest providers of soccer instruction within the Western United States. Don't miss out this year!

UK International coaches are primarily from Great Britain and have been specially selected for their expertise in teaching children the game of soccer. The camp program is age appropriate; child centered and designed to work on specific technical skills and tactical situations. The coaches work with the same group of children for the whole week and establish a rapport that supports the development of the individual player. Combining education with fun in a safe environment ensures "The Best Possible Soccer Experience".

We will once again be offering local families the opportunity to "Host a Coach" during camp week, (Sunday – Saturday). Staying in the homes of local families gives the UK coaches a taste of life in the United States, while the host families benefit by learning about the British way of life and its cultural differences. Every year the coaches that have stayed with families in the community have found the experience both enjoyable and rewarding. It's an excellent chance for your youngsters to see life from a different perspective, therefore enhancing their soccer education.

UK International Soccer Camps is an excellent day camp program for all soccer players in the Ridgecrest area from 4 - 16 years of age. On the Saturday after camp from 9 am - 12 noon there will be a free Coaches Clinic (10 people minimum), a Striker's Clinic for \$20 per player and a Goalkeeper's Clinic for \$20 per player.

All camp week activities will take place at the Leroy Jackson Sports Complex on French Street. If you are interested in hosting coaches, please inform Parks & Recreation Dept when you are registering your child for the camp.

# Hospital Income Policy

from your local

**Gary D. Charlon *State Farm***

That's right! If your child is in an accident and acquires an injury such as a broken arm, head trauma, eye injury, sprained ankle, etc. this policy pays YOU. This money is yours to keep or to put towards extra costs, copayments, and deductibles.

This policy has a daily benefit of \$250. If your child goes into the hospital, we will pay you that daily benefit for up to a year. If your child goes to the ER or Urgent Care within 72 hours of the accident, whatever the bill costs will be reimbursed EVEN IF YOUR HEALTH INSURANCE PAYS 100%! The maximum you will be reimbursed for is \$1,250.

The cost of this policy for children newborn to fifteen years old is \$9.80 per month. After you use it one time, it pays for itself for *SEVERAL YEARS!* If you have more than one child in that age group, you just multiply the cost times the number of children. It's that inexpensive and that easy! Call our office for pricing for children sixteen years and older.
