On March 12, 2020, Governor Newsom issued Executive Order N-25-20, relating to the convening of public meetings in light of the COVID-19 pandemic. At this time, Ridgecrest is continuing to hold City Committee meetings in order to conduct essential business. However, as suggested by the Center for Disease Control, we are temporarily requiring the public to use one of the following alternatives for participating:

- **Call in for public comments / Statements from the Public:**

The public will be allowed to address the Committee during the public comment section of the agenda about subjects within the jurisdiction of the Committee and that do not already appear on the agenda. No action may be taken on off-agenda items unless authorized by law. Questions posed to the Committee may be answered after the meeting or at a future meeting. Dialog or extended discussion between the public and the Committee or staff will be limited in accordance with the Brown Act. The public comment portion of the meeting will be limited to five (5) minutes per speaker. Each person is limited to one comment during public comments. All remarks and questions should be addressed to the Committee as a whole and not to any individual member or staff.

To participate with verbal comments, ***please call in using the contact info provided on the Committee Agenda.*** All callers will be able to hear and speak as with a traditional conference call. As redundant as it may be, PLEASE state your name each time you speak during the meeting for the purpose of recording meeting minutes. ***Additionally, please be sure to mute the call when you are not speaking.*** *Please Note: This process will be a learning curve for all, *please be patient.*

- **Submit comments in writing**

We encourage submittal of written comments supporting, opposing, or otherwise commenting on an agenda item, for distribution to the Committee prior to the meeting. Send emails to rgraves@ridgecrest-ca.gov; written correspondence may be sent to via mail to **Rebecca Graves, Public Works**, 100 W. California Ave., Ridgecrest, CA 93555. Please specify to which Committee and agenda item your comment relates. All communication, whether it is a formal letter or an online informal email, will be read by the Committee.

In compliance with the Americans with Disabilities Act, if you are a disabled person and you need a disability-related modification or accommodation to participate in the meeting, please contact **Ricca Charlon at (760) 499-5002**. Requests must be made as early as possible and at least one full business day before the start of the meeting.
