- Approval of minutes from the meeting held on March 23, 2022 will be moved to the June Quality of Life meeting as there was no quorum.

Public comment of items not on the agenda

- Leroy Corlett – Handicap entrance to be addressed at Pearson Park. Would like an entrance at the corner of Luna and Hermosa. No handicap ramps on Drummond between Norma and Downs, 6 intersections between those areas that have no handicap ramps. Sidewalks on downs from one end to the other. New lights at Pearson Park are fantastic.
- Jasmin Garcia – Recommends a handicap swing at Pearson Park, accessible pathway, swing large enough to hold older adults as well.
- Alice/IWV Softball – Requested update regarding dugout coverings at Leroy Jackson Softball Fields – material order has been placed once a delivery date is provided, construction date will be set. IWV Softball would like permanent fencing on the softball fields.
