ANALYSIS

Pursuant to revisions to Government Code section 37208;

(c) Notwithstanding subdivisions (a) and (b), budgeted payrolls and demands paid by warrants or checks may be presented to the legislative body for ratification and approval in the form of an audited comprehensive annual financial report,

The City of Ridgecrest is not required to continue its after-the-fact consent approval process following each delivery of payment by warrants or checks for budgeted payroll and audited bills. Instead, such payments may now be presented to the City of Ridgecrest City Council for ratification and approval annually in the form of an audited comprehensive annual financial report.

Many cities have adopted the more efficient process of ratification and approval in the form of an annual report. The Finance department will submit the DWR to council in the form of correspondence upon completion for informational review. The DWR will continue to be available to the public upon request. The Finance Department will prepare the annual report as required for review and approval of the Council.

IMPACT ON CITY RESOURCES

This will save a minor amount of time and money spent in preparing and copying reports for approval by the Council and will remove this routine matter from the Council Consent Agenda.
