Any refuse or recyclable waste material that is removed and personally transported from any premises by the owner or occupant thereof for the purpose of lawfully delivering same to a solid waste facility authorized to receive and handle solid waste or recyclable materials. The second and all subsequent instances of an overloaded container shall incur a cleanup fee per event. This shall be known as the City's "over-the-top" policy. The amount of the fee shall be in accordance with a resolution of the city council, as it may be amended from time to time.

C. Refuse lawfully placed for collection shall be the property of the City from the time of placement until the time of collection and shall become the property of the franchisee from the time of collection to the time of disposal.

D. In the event that a commercial property does not maintain adequate level of service and/or the over-the-top policy does not resolve the unsightly and unhealthy trash conditions at the property, or any area of the property that is open to the public or open to public view is not kept free from dirt, rubbish and/or yard waste, the property owner is subject to any or all of the following legal actions, without limitation:

(b) If a container on public property is not removed within ninety-six hours after the notice to remove is posted and the City has made all reasonable efforts to contact the owner, the City manager (or designee) may order the removal and storage of the container at best commercial cost. The Owner shall reimburse the City for removal and storage costs. (c) If the identity of the Owner of a container that has been removed by the City is known, the City shall promptly send a notice to the owner to claim the container. At the time fixed for said hearing, the City Council shall hear any objections of the legal owner liable to be assessed for delinquent accounts. The City Council may make such revisions to the report as it deems just and if satisfied with the correctness of the report as submitted or revised shall confirm or reject it by resolution. The decision of the City Council on the report and on all protests or objections thereto are final and conclusive.

(d) Upon confirmation of the report by the City Council, the delinquent charges contained therein shall constitute a special assessment against the property and shall be forwarded to the Kern County Auditor as provided by sections 39580 through 39586, inclusive, of the Government Code of the State of California, to be collected at the same time and in the same manner as ordinary real property taxes are collected and shall be subject to the same penalties and procedure of sale as provided for delinquent, ordinary real property taxes. The assessments are subordinate to all existing special assessment liens previously imposed upon the property and paramount to all other liens except those for state, county and municipal taxes with which it has parity. The lien shall continue until the assessment and all interest and penalties due and payable thereon are paid. All laws applicable to the levy, collection and enforcement of municipal taxes are applicable to such special assessments.

(e) There is created in the general fund an account entitled "Property Owners' Delinquencies for Refuse Collection Service." This account is funded from refuse services and shall be credited with such delinquencies as are collected by the county tax collector or otherwise collected for release of lien remitted to the City. The City will in turn, debit the account for payment to the Franchisee of delinquencies collected exclusive of fees and charges imposed by the City.
